Some  
possibilities  
for chef coat

A potential  
Japanese  
shibori or  
watery  
quality chef's  
apron

Severe  
yellow  
rubber apron

Yellow  
nixed, but  
thought  
about...

Ray removes his chef coat to  
unwind & make his meal...

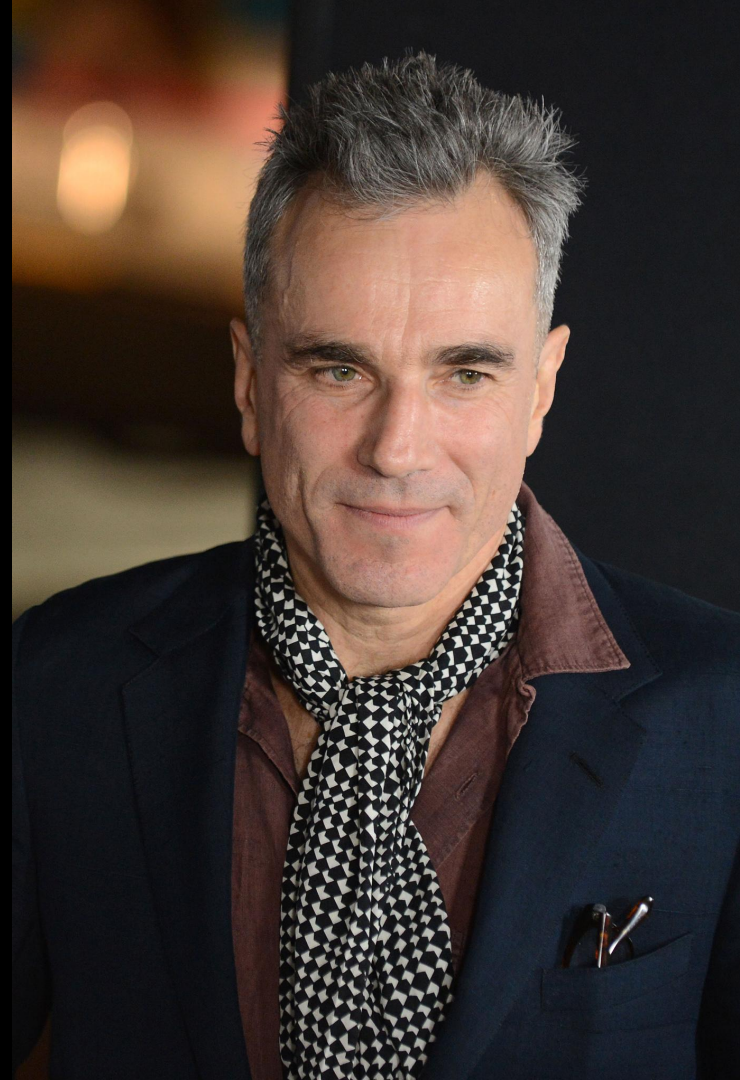

Potentially a  
light scarf

Adrien really  
liked the bloody  
quality of this  
shirt, so we are  
potentially  
factoring that in

I  
purchased  
this  
shirt

A classic chef  
coat in a  
natural cotton

Inspiration

Real Chef Pants

Ideal dated silhouette w/  
pinstripes
